Northview is a comprehensive high school covering grades 9-12. Students are offered a complete college preparatory curriculum, as well as skills training in twelve career technical areas. Sylvania is a suburban community with a wide range of socioeconomic backgrounds located west of Toledo. Local realtors regard Sylvania as a premiere residential area.

The Northview learning community strives to empower students with the analytical and creative skills to be lifelong learners. Northview was designated, by *Newsweek,* as one of the best college preparatory high schools in the nation based on a rigorous curriculum and high student achievement; making it a great place to learn and grow.

Note: COVID 19 - Spring semester grades for 2020 are modified per board accepted policy to reflect a digital learning transition. The grades reported are a representation of two quarters of work without the weight of semester exams. Please contact the school's guidance department for grade specific records and questions.

Academic Program & Grading

The school year consists of two semesters. A day is composed of nine periods consisting of forty-one minutes each. The typical course load is six or seven courses. The semester grade is determined by averaging the two quarter grades and the exam grade with each quarter grade counting 2/5 and the exam counting 1/5. For **honors** classes, students earning a grade A+ through C- will receive an additional .5 on their semester average GPA, and for **Advanced Placement (AP)** classes, an additional 1.0 on the semester average GPA.
